

Key West ~~AIDS~~ Memorial

THANK YOU

The community effort enabling addition of new names to the Memorial this year was too large to list individually. Those who marched, read the Names, and beautified the site were tireless. But without the generous help of the following groups, the engraving and dedication event would not have been possible:

ACTUP Key West
AIDS Commemorative Quilt of the Keys
AIDS Help, Inc.
American Legion Post 28
Bill Kite and Geo. Hause, Printers
City Electric System
City of Key West City Manager's Office
City of Key West Engineering
