

**In Loving Memory
of our Son**

JOE LEWIS LOGSDON
April 27, 1996

To all our family and friends, thank you for your unending help and prayers.

To celebrate his life, light a candle today in memory of a loved one who continues to fight this epidemic in hopes for a cure.

Because of Joe's battle our family has gained a wealth of knowledge and is dedicated to educate all people about the virus and the overwhelming need for love and compassion. Our dream is that no one else will become infected with AIDS.

A memorial Mass will be TODAY at St. William Catholic Church at 12:30 p.m.

Friends of the Aids Memorial,

This is my son's obituary. Through his death we started an "Aid Foundation" to help the adults + children of Collier Co. + Lee Co. Due to poor funding we closed our doors. I support the Aids foundation here in Key West.

Thanks, *Chufan Logsdon*
