

4-6-2007

My Son Anthony was born March 15  
1969 in Fisherman's Hospital in  
Marathon, Fl. We moved when he  
was 5 years old. He always wanted  
to go back to the Keys. In his  
early 30's he moved to Key West.  
He loved the Keys. When he  
was real sick he left there.  
He had told me he wanted  
his ashes taken to the pier in Key  
West. On March 16-2007 we took  
him there. It is a beautiful  
place & now I know he is at  
peace.
